Subject: Fw: Statement of Facts (SOF) and Exit Conference (361347)

Liaisons,

Attached is the statement of facts for the hydraulic fracturing regulations engagement (JC 361347).

The SOFs does not reflect any Agency comments on the appendices, nor answers to the questions provided to GAO. The Agency has been asked specifically to review carefully the SOF tables on pages 36 - 40. I do not have internal agency due dates at this time. However, please plan to provide any comments to the SOFs no later than Thursday, July 5th

Also, please note, there are placeholders in the SOFs for information related to the follow-up questions that were previously provided to the Agency.

An exit conference is scheduled for Monday, July 9th (TBD). **Please provide the names of individuals from your office that should participate in the exit conference no later than tomorrow 6/27.**

Call with any questions - 564-2439.

Thanks,
GJS
